Letters will be sent in phases by age group between December 2023 and March 2024 until all potential eligible seniors who are 70 years of age or older have been invited to apply for the CDCP.

Canada.ca/dental

The CDCP will ease financial barriers to accessing oral health care for up to **nine million** eligible Canadian residents.

Oral health is important to your overall health and well-being. Regular visits to an oral health professional can reduce the risk of health problems.

In 2022, almost one in four Canadians reported avoiding visiting an oral health professional due to cost.

Every Canadian deserves accessible, affordable and essential oral health care.
